This May, embrace the chance to make a double difference with your kindness! **Swing by to give blood with LifeServe and extend your generosity by using your earned points to help furry friends at Heartland Humane Society.** Choose how many points you'd like to donate, and we'll turn them into valuable support for our four-legged pals.

Your compassion not only helps maintain the essential local blood supply, but also backs the important efforts of Heartland Humane Society in nurturing animals. Transform your blood donation into a double dose of caring, sparking a pawitive impact that extends far beyond May!

Free pet leash for all donors while supplies last
