

WHY THIS PARTNERSHIP IS BEST FOR OUR PATIENTS

Why LifeServe Blood Center?

Locally Focused Blood donations collected in our area are prioritized for our local hospitals.

Proven Reliability LifeServe has a strong history of dependable delivery and outstanding customer service.

Real Community Impact Every donor can be proud knowing their donation directly supports our patients, your community, your neighbors.

Non-Profit, Mission-Driven LifeServe is a community-based blood center committed to serving people, not profits.

Top Quality Standards With rigorous testing and compliance processes, your care remains in trusted hands.

Our hospital has partnered with LifeServe Blood Center as our **primary provider of blood and blood products**. This change ensures that blood donations made right here in our community stay here, helping our patients, neighbors, and families.

Together with LifeServe, we're building a healthier, stronger community - one donation at a time.
