

Packing Medium 11-21 Unit – Visual Work Tool

Packing Medium Special-Order Boxes (SOB) ---- 11-21 Units	
<p>Action:</p> <p>Collect supplies needed to pack medium SOB box.</p>	<p>Picture:</p>
<p>Open Medium SOB and remove Styrofoam lid and pull out the plastic liner.</p>	
<p>Place red blood cell into the bottom of the medium SOB.</p>	

Place 2 chuxs on top of the red blood cells.

Place two XL-block ice on top of the chuxs.

Place the Styrofoam lid in position and close the plastic liner on top of the lid.

Close the medium SOB lid, and seal the Velcro.
