

A close-up, side-profile view of a black graduation cap with a black tassel hanging down. The background is a soft-focus outdoor scene with green foliage and a blurred building.

STUDENT SCHOLARSHIP OPPORTUNITIES!

DID YOU KNOW THAT BLOOD DONATIONS OFTEN DECREASE DURING THE SUMMER AND WINTER MONTHS?

You can help by hosting a blood drive!

Plus, you could be eligible to win a scholarship for your efforts!

LifeServe will award a \$500 scholarship to students who organize a successful blood drive during our summer (Memorial Day - Labor Day) or winter (December and January) scholarship periods!

To be eligible to win, students must recruit donors, act as the chairperson for the blood drive, and meet specific goals for registered donors.

For a complete list of guidelines and additional details, please contact your Territory Representative at 800.287.4903.

Individual scholarship opportunities are only available to students who are within two years of graduating high school through Junior year of college.

A stylized graphic of a blue graduation cap with a red tassel, positioned above a large, stylized blue and red circular shape that resembles a blood drop or a stylized 'S' logo.

YOUR BLOOD. YOUR HOSPITAL. YOUR NEIGHBORS.
